- Add new building site address and/or contacts online

Benefits:

- Efficient, convenient and transparent.

3 ways to place an order:

The screenshot shows the Hilti Australia website interface. Three key areas are highlighted with red boxes and numbered circles:

- 1. Online catalogue:** A box on the left side of the page highlights the 'View products and buy online' section, which includes a search bar and a list of product categories like 'Measuring systems', 'Screw fastening systems & drill drivers', etc.
- 2. Quick order entry:** A box on the right side highlights the 'Quick order entry' section, which has a text input field for 'Enter item number here and add to shopping basket' and an 'Add to shopping basket' button.
- 3. Shopping lists:** A box on the right side highlights the 'Your shopping lists' section, which shows a list of items: 'Chemical anchors', 'Drill bits', and 'Firestop'.

1. Online catalogue

- Search product in online catalogue
- Enter quantity
- Click "Add to shopping basket"
- Go back to the shopping basket and continue with the order

2. Quick order entry

- Enter item number in Quick order entry (up to 20 items at a time)
- Click "Add to shopping basket"
- Adjust quantity in shopping basket if required

3. Shopping lists

- Create shopping lists with your favourite products
- Open shopping list
- Select items you like to order
- Adjust quantity if required
- Click "Add to shopping basket"
